

TWO NEW SCHOLARSHIPS OFFERED AT CGS

First year of the CGS Indigenous Scholarship

Offered in partnership with the Podmore Foundation and in consultation with local Indigenous communities, the CGS Indigenous Scholarship is awarded to a Year 7 student each year and provides financial assistance and mentoring.

Canberra Grammar School offered the first CGS Indigenous Scholarship in 2016. The scholarship aims to make a difference in the lives of young Indigenous Australians through the provision of the exceptional educational opportunities available here.

The Indigenous Scholarship programme aims to contribute to the development of an environment of respect and understanding at CGS, creating opportunities for Indigenous Australians to reach their full potential whilst educating all our students about Indigenous achievement, culture and contributions.

CGS Old Boys' Association Scholarship

In 2015, the Old Boys' Association approved a Deed of Gift of over \$600,000 to the CGS Foundation to establish a dedicated scholarship supporting a student – boy or girl – who, through their achievement, shows the promise of making a distinctive contribution to the life of the School. This scholarship was created in honour of the legacy left by the Old Boys' Association to the CGS Foundation and the life of CGS.

The CGS Old Boys' Association Scholarship provides financial support and mentoring during Years 11 and 12, and is open to applicants from within the School or from those seeking to join CGS.

MEET SOME OF OUR SCHOLARSHIP RECIPIENTS

Kye Moggridge, 2016 Inaugural Recipient of the CGS Indigenous Scholarship

Kye commenced Year 7 at CGS in 2016 and has already had a rich impact on School life. He has performed to an academic standard and has thrown himself into the opportunities available here. He plays Rugby Union for the School and also helped to achieve a successful Grand Final win for his Rugby League club side. Kye gave a traditional welcome in his own Kamilaroi language at Presentation Night this year, and his fellow students were able to experience him performing on didgeridoo at School Assembly. Kye's whole House had the opportunity to take part in a traditional smoking ceremony on 19 July, with the students of Burgess House privileged to be part of the ceremony and to be educated in Indigenous culture by Kye's father, Brad Moggridge. We are delighted to have Kye here at CGS and are sure he will continue to thrive as he heads into Year 8.

Jonathan Lee, 2017 Inaugural Recipient of the Old Boys' Association Scholarship

Jonathan is a truly outstanding student who in so many ways embodies the values of the Old Boys' Association Scholarship and makes an exceptional contribution to the life of the School. He has received the Summa Cum Laude Medal for Academic Excellence every year of his senior schooling, along with multiple awards and distinctions across Mathematics, Science, Geography, IT and more. He is a musician of extraordinary talent, a cellist in the School's String, Symphony and Chamber orchestras, a pianist in the Advanced Musicians' Programme, a bass in the CGS Choir and an accomplished professional-level organist. Jonathan is also a very capable sportsman, representing CGS in first-division Football, Swimming and Water Polo. We are grateful for all that Jonathan adds – with a lovely and humble attitude – to the life of our School.
